When You Live In Many Parts Of The World There Is Just One World Say Rudy, Bushyka von Kaschnitz

BY ROBERTA MCCONNELL

As is fitting for the Peninsula where the Army Language School has brought people of all nations and all languages together, the customs, play and speech of Bushyka and Rudy von Kaschnitz' day nursery in Carmel are nearly as international as the United Nations itself!

Editor's

Column

The land the county planning commission has rezoned from agricultural to light industry for Firestone wouldn't graze a goat per 100 acres, Keith Evans told the Pine Cone yesterday. Mr. Evans is a member of the county planning commission and he thought the letter that appeared in this column last week, and the editorial comment that accompanied it, "might create some misunderstanding."

The commission does have a policy about granting rezoning permits, he says. Large tracts that are now under cultivation and are clearly good agricultural land will be kept in that status, unless there is overwhelming pressure for rezoning. Requests for spot zoning for commercial and industrial use in the midst of such land will be refused. The planning commission has already denied such a request for spot zoning in the good growing land near Greenfield. The petitioner appealed to the supervisors, and the supervisors upheld the planning commission.

The land rezoned for Firestone and the adjacent acreage which Del Monte Properties has asked to be rezoned for light industry form a triangle between Spindrift, the Salinas-Monterey Highway and the Monterey Airport. It's high land, not readily visible from the highway. Its nearness to the airport makes it undesirable from a safety point of view for housing development. Since it isn't tillable, nor even good grazing, can the commission force the owners to let it lie idle, Mr. Evans asks.

"We insist on knowing what sort of industry is going on the land before we say yes," he adds. "We wouldn't let a slaughter house or a tannery go in there. We feel we could trust the taste of Del Monte Properties not to introduce an undesirable industry, but the land could be sold, so we shall have to know what will be built there before we grant the permit."

"We can't stop people coming here," Mr. Evans concludes.

True. But do we need to spend \$15,000 of taxpayers' money a year to finance an organization whose sole purpose is to hunt out industry and persuade it to locate in this county?

—Wilma Cook.

MAWDSLEYS HOME

Former City Clerk Peter Mawdsley and his wife Lucie arrived back in Carmel last night after nearly a year spent traveling in Europe.

"I've just said hello to the city hall and you," said Peter when he called at the Pine Cone office this noon.

Citizens Committee Reports Monday

When the Carmel school board meets Monday night at 7:00 o'clock the citizens advisory committee will present a report recommending that the Carmel Unified School District participate in a junior college district with Monterey and Pacific Grove, but before the school board commits the district, a town-meeting will be held.

The school board will open bids on paving playground at Woods School and for 112 pupils' desks and chairs.

Track Lease OK Sport Car Races At Ord Assured

The sport car races, two this fall and in the spring at Fort Ord, are assured. Yesterday afternoon, Monterey Peninsula Chamber of Commerce directors, meeting with the executive committee of SCRAMP (Sport Car Race Association of the Monterey Peninsula) approved the lease of the track from the army. Signing formalities are set for tonight at a general meeting of SCRAMP and Monday of the chamber of commerce.

"We're all set to go," Lou Gold, president of SCRAMP told the Pine Cone this morning. "Up to now, it was planning and sifting ideas. A lot of people have worked awfully hard. Our Congressman Charles Teague did a tremendous job for us in Washington."

Race dates are November 9 and 10; and April 19-20.

Work on the two mile track will begin immediately. It is to be located north of Laguna Seca on the Salinas-Monterey highway in a bowl with sloping hillsides where the spectators can watch the races with more safety and have a better view than they had when the races were held at Pebble Beach. There will be space to park 15,000 cars, and a number of access routes with toll gates are planned. Carmel City Engineer Clayton B. Neill, and two other Carmel residents, Joe Fratessa and August Nieto are members of the seven-man track committee. Neill has already looked over the ground with committee members and estimated costs of earth moving and paving. The work will be subject to approval of La Marr Price, post engineer at Fort Ord.

By-laws of SCRAMP, a non-profit corporation, were approved at yesterday's meeting. One of the terms of the lease with the army is that a specified percentage of the "take" of the races will be donated to charity.

Earl Wermuth Leads Marijuana Raid, Six Are Arrested

A narcotics raid under the direction of Lieutenant Earl Wermuth of the Carmel police force resulted in the arrest of six persons on Monday evening. Assisted by Sergeant William Ellis, Officers George Gendron, Del Wermuth and Bob Fisher, sheriff's deputies and the Monterey police, Lieutenant Wermuth raided the home of Pfc. and Mrs. David Van Buskirk on Torres Street between Fifth and Sixth Avenues, at 7:00 o'clock, found marijuana leaves and seeds, and arrested John T. Chance, 23, a transient, and Mrs. Van Buskirk, 22.

Shortly after 7:00 o'clock Monterey police arrested Francis Bamford, 21, and Harry W. Wells, 17, both of Fort Ord, in a car at Fremont and Abrego Streets in Monterey. Bamford and Wells left the Van Buskirk house a few minutes before the raid. Found in their car was about a pound of marijuana leaf in a paper package wrapped in a towel.

Pfc. Van Buskirk, 24, was arrested at Fort Ord.

John A. McDonough was taken into custody at his home 805 Lottie Street, New Monterey, where he showed police three cans of mari- (Continued on Page Fourteen)

Dan is a graduate of Arizona State College where he was an outstanding baseball and basketball player. After graduation, Dan hooked on with the Ajo High School in Arizona and guided the basketball squad to the Arizona State Championship in 1952. As a result of the fine season enjoyed by the Ajo hoop squad, Coach Yurkovich was selected as the Arizona prep coach of the year and coached the all-star team at the state coaching clinic.

Little League Dist. Playoffs Here Fri. - Sat.

Carmel's Little League ball park has been selected as the site for the district playoffs which will be held this Friday and Saturday. Friday's 4:00 o'clock game matches Jack Miller's San Carlos Realty, Carmel Little League Champions, and Seaside National League Little League Champions. The second game following immediately on a double-header program, matches the Gilroy Little League Champions and the Seaside American League Champs.

On Saturday, a consolation game for the losers is slated at 2:00 o'clock with the championship game between the winners set to get underway about 3:30. Winner of the tournament at Carmel will compete at Salinas the following week to determine the champion.

Children Wanted For Elf Parts In Shakespeare Play

The principal players in the forthcoming production of A Midsummer-Night's Dream have been rehearsing for several weeks in the Forest Theater, and the time has now come when the small followers of Oberon and Titania must begin rehearsal. Children between the ages of seven and twelve should come to the Forest Theater on Saturday if they would like to take part. Both boys and girls are wanted. The Forest Theater is on Mountainview Avenue at Santa Rita Street. The gates will be open at 3:00 o'clock, Saturday afternoon, July 3.

The performances of A Midsummer-Night's Dream will be on the evenings of August 22, 23, 24, and 29, 30, 31, and September 5, 6, 7.

Born in Germany, Bushyka was raised on her parents' coffee plantation in Guatemala, with some 17 ocean crossings in the interim for visiting and touring Europe.

On one of her visits, she met and married the Baron Rudolph von Kaschnitz. (But, ach! "Rudy smiles," you don't say that now, (Continued on Page Six)

CARMEL SWIM TEAM SWAMPS WATSONVILLE AND SANTA CRUZ

Carmel's unbeaten swim team continued its winning ways at Watsonville last Saturday as the Carmel natators piled up 116 points to 66 for host Watsonville and 25 for Santa Cruz. Double victories by Ann Giles and Mike Cook paced the Carmel swimmers as they coasted to their seventh victory of the season. Other first-place winners for Carmel were Mary Martin, 50-yard freestyle, Maynard Petersen, 25-yard freestyle, Ronnie Berry, 25-yard backstroke, Don Kneeder, 25-yard breaststroke, and Tom Aldrich, 25-yard backstroke. Other Carmel point-makers were Pam Petersen, David Rosenkranz, Ronnie Jella, Pat Aldrich, Lila Zils, Barbara Giles, Susan Petersen, Susan Shirley, Kay Aldrich, Tim Fry, Tim Petersen, and Keith Kneeder.

CARMEL MERCHANTS HOST FORT ORD-FRIDAY NIGHT

The top softball team at Fort Ord will appear against the Carmel Merchants this Friday night in an 8:00 o'clock game at Sunset Field. The Ord champions are preparing for the Sixth Army tournament which is slated for early in August and will pose a pretty tough hurdle for Paul Artellan's Merchants.

In their last outing at Sunset Field, the Merchants clipped the Seaside Merchants, 4 to 1, as Paul Lytle threw a one-hitter at the Seaside swingers. Leftfielder Bennett's home-run was the only blow allowed by the slender righthander. Skipper Artellan set a good example for his charges in this game, collecting a single and double in three times to the plate to lead the Merchant hitters. Dennis Narvaez also hit two for three, connecting for a pair of singles and driving in two runs.

YOUTH CENTER TOURNAMENTS

Stars in recently completed tournaments at the Carmel Youth Center were Hillary Teague, winner of the table-tennis championship for girls and Claude Friscovich, winner of the Center's hotly-contested horseshoe pitching championship. Hillary stroked her way through a fine field of paddle-wielders and outstaded Gail McKenzie to win the title. Carol LeNeve edged Ann Putnam for third place in the tourney, while Jeane LeNeve picked up the fifth spot.

In the horseshoe tournament, Claude Friscovich clipped Dick Jennings in the finals to gain the coveted ring-throwing title. Close all the way the final match was decided by the third game which Claude won, 25-22. Mal Burdis, Youth Center president, salvaged third place by whipping Jim Konrad and Phil O'Shea, junior champ, got the fifth spot by downing Joe Mason.

"SO BEAUTIFUL I'M SURE IT MUST HAVE PLEASED HIM"

"They had a beautiful Memorial Service for Don Blanding in front of the Outrigger Canoe Club, a Hawaiian service by David K. Bray," a Hawaiian friend writes. "The Hawaiian prayer floated over the near deserted beach as the group of friends gathered around eight canoes nudging the water. Don's ashes were in a white box covered with red plumeria leis. As the people manned the canoes, a yellow ginger lei was wrapped around the box. Other leis were dropped over the side of yellow and black canoes as Halikulani beach boys dug their paddles into the darkening waters. The canoes shot out towards the sunset as Don Blanding's ashes were given to the sea as the sky turned gold and pink over Waikiki. So beautiful, and I am sure it must have pleased him very much. Seems to me he would have planned it that way."

WATER

The Most Important Thing in Life

One of the basic conditions for life on earth is that water be available. Out of this need for water has come the greatest single industry in this country—public water supply.

Maintaining a water supply system on a high level of efficiency is a job for experts. Planning, building, and financing for future needs is another job which must be handled with the greatest skill.

Arlene Turi, local manager who brought Carlos Montoya, Spanish flamenco guitarist here last October, is presenting Fiesta Mexicana.

Marimba Chiapas will introduce their Tipica, Chiapas and Xochimilco medleys, from their current Capitol record albums.

UNWANTED, unsightly, bothersome hair removed permanently by the use of single needle Electrolysis.

Does it hurt? No, not when you have a conscientious operator with humane feelings, one who will treat you like she would like to be treated.

Does it cost much? When you think the pleasure of knowing that you will never have to tweeze, use a depilatory or shave ever again, it really is money well spent.

Does it scar? When the operator is efficient and takes proper precautions, and uses the knowledge and the study and training with which they receive their license, there is no scarring or any danger.

Heman Lincoln

Heman Clarence Lincoln, 101 years old, died at the home of his son Samuel Rex Lincoln in Mission Fields on Tuesday. He had lived with his son for a little over a year coming from Hopkins, Missouri, where he celebrated his hundredth birthday on January 19, 1956.

Mr. Lincoln was born in a log cabin in Dallas City, Illinois, five years before the Civil War began. He was a carpenter and farmer for 70 years in Hopkins, Missouri.

Besides his son he is survived by eight grandchildren, 16 great grandchildren and two great-great grandchildren. Funeral services will be held in Hopkins, Missouri, at the Swanson Funeral home. Dorney and Farlinger Memorial Chapel was in charge of local arrangements.

TWO MORE BEACH ARRESTS

Carmel police arrested Dave Wallace Mayo, 24, Carmel, yesterday afternoon at 1:45 o'clock on a charge of lewd and lascivious conduct which was reduced to outraging public decency when he appeared in Monterey Municipal Court yesterday afternoon. He was fined \$300.

Lawrence Lee Knox, 26, a junior high school teacher from Riverside, California, was arrested at 9:45 o'clock in the evening on a lewd and lascivious conduct charge and will appear in court today.

GAYEST CAR IN TOWN

The smiling faces peering from the gaily decorated 1936 Plymouth about town belong to Grace Colburn, wife of artist Sammy Colburn, and her four children, Teryl and Ritchie McBride and Bolton and Cyrus Colburn. The radiator ornament is a yellow painted plywood cut-out of a horse's head. Doors on one side are decorated with a pink pig, painted by Lolli Willox, and a purple hippopotamus by Grace, all surrounded by flowers and fancy squiggles. Front door on the other side has a little girl's head suitably set in decorations, the work of Teryl. Butterflies top the brightly colored sign Slow Please Children on the trunk of the car.

"We aren't finished yet," says Grace, "there's lots of space left to be covered."

FROM A LIBRARIAN'S NOTEBOOK

Ruth Galvin Thornburg, Librarian

We now have more than two hundred children enrolled in our summer reading club, which is three times as many as we had last summer. We are all happy about this, and the happiest is Pauline Heisinger, who dreamed up the whole thing. This is just one of the rewards of working with children. There are others. Last week a boy of about 12 years of age spent three days quietly reading in the library while his parents renovated a house they had just purchased. He was such a nice boy and when he left he thanked Pauline for the pleasure he had there. We all wish he would move here with his parents. We would like to watch him grow into a fine adult person. He will. That's one other reward of working with children.

As for the new books this week, we have some good ones. Many of you met Mr. E. B. Scott when he spent some time in Carmel during the writing of his book and later after it was published. The book is entitled The Saga of Lake Tahoe. Because this library helped him with his research it is listed for credit in the book's introduction. We help with a lot of books but not often do we get a real live credit printed right out in black and white for everybody to read. It pleases us! The book is wonderful, even without our credit, for the reproductions of old photographs taken years before the common usage of filters and all those other aids to good photography which are the customary thing today.

Dwight Boyden

Dwight Hayward Boyden died early this morning in a local hospital after a brief illness. He was a retired realtor and lived in Rancho Rio Vista in the home which he built about a year ago.

Mr. Boyden was born on January 25, 1906, in Brookline, Massachusetts. He is survived by a sister Mrs. Aurene Boyden Morsell of Baltimore, Maryland, and a niece, Mary Boyden Morsell, also of Baltimore.

Funeral services conducted by the Reverend Angus Dun Jr. of All Saints' Episcopal Church will be held in the Mission Mortuary Chapel on Saturday morning at 11:00 o'clock.

Interment will be in Green Mount Cemetery in Baltimore.

FORBES TO PLAY LOEILLET SONATA AT ALL SAINTS'

An echo of the Bach Festival will linger on in All Saints' Episcopal Church, Carmel, on Sunday morning when the organist, Robert M. Forbes, will be joined by the Rev. H. M. M. Nicholas and Mrs. M. H. Shutes, violinists, in a performance of the Jean-Baptiste Loeillet Sonata in G Major, for two violins and organ. Loeillet was one of the composers featured during the recent Festival as an important representative of the Baroque era which reached its climax in the genius of Johann Sebastian Bach. Much of the music of this period was expressly written for church performance and the four movements of the Loeillet opus are outstanding examples of this category. The composition will be played at 10:45 o'clock as a prelude to the 11:00 o'clock service.

CHURCH NEEDS RUMMAGE

Clothing and miscellaneous articles are needed by the Ocean View Baptist Church in Seaside for their rummage sale on Saturday. Proceeds from the sale are for the building fund of the church. Any person having rummage to donate is asked to telephone Louise Richardson, FR 2-4265 and arrangements will be made to pick up the donations.

Burde, Shaw and Kearns Designed Linsley Building Nears Completion

The Carmel architectural firm of Burde, Shaw and Kearns Associates have given the community one of its finest structures in the just-completed building constructed on the Dummage property on Dolores Street, south of Ocean Avenue. The building, which contains two stores, is owned by Mrs. George H. Linsley, Jr., daughter of the late Mrs. Mary L. Dummage, Carmel pioneer. Mrs. Linsley is the sister of Leland S. Stallings of Carmel. Her half brother is Robert Norton of Carmel.

Mrs. Linsley's building, on the west side of Dolores, contains one store 1200 feet in area and another 600 feet. Both stores have been rented and will soon be occupied by tenants, one a nationally-known slenderizing salon, the other a charm school.

"In designing the building for Mrs. Linsley, we used materials suitable to the site: redwood, stone masonry, concrete blocks," the architects said, "We strove, too, to create a structure appropriate to the unique character of Carmel." The success of the architects' objectives is evident in the completed building. Particularly pleasing is the restrained, yet effective, contemporary color scheme comprised of slate-grey stained redwood, a natural shake roof, and panels of terra cotta which complete a design of masterfully placed verticals and horizontals. An open breezeway leads to the entry. Structural materials — glass, Carmel stone, and redwood — used on the exterior, are carried through to the interior, offering visual contrast of a most effective kind. Both stores are so designed that tenants may contribute their individual choice of interior decor without in any way conflicting with the building's over-all simple contemporary feeling.

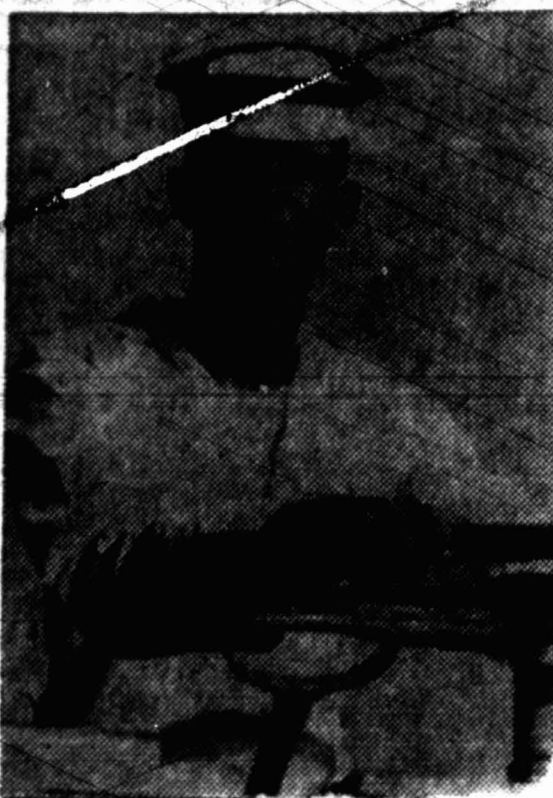

Walter Burde, Will Shaw and Glenn Kearns formed their architectural firm about two and one-half years ago. They have just completed the new Methodist church near the Hill Theater in Monterey. As well, they have designed many outstanding residences in the Carmel and Pebble Beach area. Their offices are located on Monte Verde Street, near Seventh Avenue.

Mrs. Linsley is the wife of George H. Linsley, west coast representative of a scientific instrument firm. They live in Menlo Park. As Mabel Stallings, Mrs. Linsley attended Carmel schools and San Jose State, when that college was a Normal school. Mrs. Linsley's daughter, Mary Lou, is the wife of Theo F. Linhart, Jr., an electrical engineer. They have three children, 7, 9 and 3 years old. Her son, George H. Linsley, Jr. is superintendent of schools at Roseville. He also has three children.

A particularly valuable asset to the new Dolores Street building is the large, concrete basement, designed by the architects to provide storage for tenants, and additional rental storage space.

The Time Has Come

by Kippy Stuart

It has been said that a stone tossed in any direction in Carmel will hit a celebrity. Not that I advocate throwing stones. Some of us may live in glass houses. Yet it is true, for hidden in our by-ways, tucked off in corners, live some of the world's most brilliant folk. In my garden work, I am always running into interesting people, and recently I really struck the jack-pot.

At the north west corner of Lincoln and Eighth Streets is a garden that showers its beauty on the neighborhood. Whenever I come across such an outstanding place, I go in and introduce myself. I found an elderly gentleman pattering and fussing among his flowers, and never anywhere have I seen such a galaxy of tuberous begonias, all in full flower. The small property is literally covered with blazing color. Ernest De K. Leffingwell welcomed me and in that one short hour, I learned more about tuberous begonias than any book or my own experience had ever taught me.

There were hundreds of potted plants, on window sills, on door steps, hanging from trees. Most of my own tuberous begonias have begun to suffer from mildew, but as I looked about the Leffingwell garden, not a spot of mildew did I see. I asked Mr. Leffingwell how he controlled mildew. He replied that he never allowed it to get started. He then showed me a small bottle with a small brush, the sort we use to butter pastry. Instead of spraying the entire garden, this wise gentleman applies his mildew remedy with this tiny brush. Now I ask you, did any of the rest of us ever think of that simple method to scotch mildew before it gets a start? I learned many things that day. Mr. Leffingwell is also a celebrated radio expert. I resent using the term "radio ham", yet that is what the world calls these independent electricians who cover the globe with their self-made radios. His call letters used to be W6QFY and he showed me his impressive license that makes him a member of the International Radio Hams.

Mr. Leffingwell taught me much more about tuberous begonias. In all of my experience I had never heard of making cuttings of tubers. They come from corms, and it never occurred to me they could be propagated from cuttings. Another bit of wisdom is Mr. Leffingwell's knowledge of chemistry.

Carmel children, left to right: Robin Levinson, Kimmie McConnell, Debbie Fishel, Alba Arboleda, Kathy Fishel, Dimi Strom, Thor Winkoop and Keed Dayton, sing German and French songs with Bushyka and Rudy von Kaschnitz at their international day school.

There Is Just One World Say Rudy, Bushyka von Kaschnitz

(Continued from Page One)
over here, it sounds so... so formal!"

A former officer in the Imperial Austro-Hungarian Navy, Rudy had become after the first war, administrator of the upper Austrian estates which had been in his family since the sixteenth century. Following their marriage he went to learn the administration of the Guatemalan plantation, but some of his family still lives in the castle on the Traun See.

"The rest is world history now," Bushyka points out. "We returned to Austria from Guatemala to conduct our coffee importing-exporting firm, then came the war."

Rudy was imprisoned, and with their small son, Bushyka waited, working in a ceramics factory until his release.

I asked him what fertilizers he uses. He replied that he mixes his own. All he does is to read the ingredient on the expensive commercial chemicals, that cost many dollars, and for ten or fifteen cents, he duplicates the recipe of either sprays or fertilizers.

For real friendship, for real camaraderie, don't enter a home by the drawing room door. Go in through the Garden Gate! Mr. Leffingwell and I are now firm friends.

By this time, all they owned had been lost and the money they had saved was worthless paper, so they worked their way back to Guatemala only to find that the plantation too had been confiscated during the revolution in that country. "So I went to Costa Rica," Rudy recalls, "and what do you think happened? I arrived just in time for another revolution!"

Having lived through wars and revolutions, Rudy and Bushyka now say with engaging smiles that they can truly appreciate the nursery school, where children are squabbling one moment and playing together the next, or counting together, one two three, uno dos tres, ein zwei drei or un deux trois, knowing that it all comes out the same no matter what language they use or what customs they employ.

On the Peninsula for the past three years, the von Kaschnitzes came here originally to be near their son, Egon, who was then

stationed at Fort Ord, and is currently living with his wife in Berkeley. "Raised in three languages" as Bushyka explains it, Egon now holds a master's degree in economics from U.C. and is presently affiliated with the Bank of America where he uses Spanish and German nearly as much as English.

With a command of seven languages themselves, the von Kaschnitzes have had occasion to use nearly all of them in their nursery and on the multi-lingual Peninsula.

A former instructor at the Language School and current German tutor, Rudy also speaks French, Italian, Spanish, Hungarian, Serb Croat and English.

"And the French was very useful recently," Bushyka says, "for one of our children was a tiny Parisian girl who spoke no English, but with Rudy to interpret it was only a little while before all the children were playing together and understanding each other proving what we feel so strongly that it is in part, the knowledge, however small, of other peoples languages and ways which makes up the universal language of friendship and love, kindness and consideration of others which needs no tongue... but which Rudy and Bushyka von Kaschnitz do express and teach in many tongues to the youngsters of their little "international" nursery."

What Does A Two-Faced Roman God Have To Do With The Month Of August In Carmel?

More than appears. Janus, a V.I.P. in the Roman mythological hierarchy of Gods, had an unusual trick—he could look both forward and backward.

The month of January is named for him, but August equally with the year's first month, possesses Janus' ability to combine both what is ahead with what has passed.

August brings the last, lingering traces of summer—and fall's first tweeds. For us dwellers by the side of the sea it means that our summer—a burnished, golden, Indian summer—is still ahead, with time outdoors, warm, mellow days to wear the summer cottons, the bathing suits, the playwear we are reluctant to relinquish.

Long ago Carmel's shops learned Janus' trick of looking both forward and backward. In this month of August they give us superlative summer merchandise at tremendous reductions, by means of clearance sales. In this same month they bring us the jewel-rich woolens, the colorful plaids, the autumn-hued sweaters, the burnished leathers, the elegant suedes that will take us into fall.

Section 74.01. Such military leave of absence is to be charged against the employee's vacation unless the employee elects to take his training duty without city pay, said election to be indicated by the employee at the time he applies for military leave of absence.

Section 74.03. An employee on active duty shall be entitled to no accumulation of benefits during such duty.

Section 74.04. Upon timely return to employment with the City upon termination of active duty, said employee shall be credited with longevity earned prior to his entrance on active duty.

Section 74.05. If an employee on active duty does not return to city service within thirty (30) days from the date of his discharge from active duty, his service with the city may be terminated at the option of the Council, without credit to said employee of any accumulated benefits.

Section 2. REPEAL OF OTHER ORDINANCES. Ordinances numbered 143 N.S., 161 N.S., 196 N.S., 205 N.S., 225 N.S., 228 N.S., 233 N.S. and any other ordinances or parts of ordinances in conflict herewith are hereby repealed.

INLAND

In breathless heat of mid-day
The wide, bare fields be dead;
There's no green in the stubble,
There's no shade for my head;
But I can sense the forest dark,
And the wild cry of the sea,
Because the pines of Carmel
Once sang their song to me.

Along the dusty highroad
No spring to meet my need,
Even the lizard shelters
Beneath a sun-dried weed;
But I can feel the cool wind
And the damp mists, salt and sweet,
For once the waves of Carmel
Broke foaming at my feet.

—MABLE RICE GARDNER.

REMEMBER, HEART

Remember, heart, although the moon
Creeps mournfully through smoke-blighted air,
Still gloriously, on wave and dune,
Cascades her shimmering chartreuse hair.

Though song seems slain by dissonance
In arid realms of oil and steel,
And ancient faith and old romance
Seem crushed beneath the conquering wheel, —

Find them anew in lonely leas
Where purple-misted breezes sigh;
By fragrant gold acacia trees
Where mockingbirds are singing, now.

—WALDEN GARRATT.

BLUE EBB

I heard exultance in the sea,
Striving for its rhapsody
All my effort failed in song ...
Only jubilation is strong.

I watched a gull flash by and wheel,
Longing for its grace and zeal
With a heart bereft of night ...
Only ecstasy has flight.

I touched the sunbeams on the sand,
Cupped them in my eager hand
But my fingers were a sieve ...
Only memory will live.

—CONSTANCE WALKER.

Pine Needles

Myrtle Franklin Married

Large bowls of white gladiolas and carnations decorated the altar of All Saints' Episcopal Church for the wedding of Myrtle Ann Franklin and William Hunter Eadie on Saturday afternoon at 3:00 o'clock. The Reverend Bernard Lovgren, rector of St. John's Chapel, performed the ceremony.

The bride was given in marriage by her father, Richard Cummins Franklin of Pebble Beach. She wore a Bianchi princess dress of taffeta faille with a chantilly lace bodice. The portrait neckline of the gown was edged in mother-of-pearl and seed pearl embroidery, and the bell shaped skirt extended into a chapel train. A lace pill box hat matching the bodice of the dress and with similar embroidery held her illusion veil in place, and

she carried a shower bouquet of lilies of the valley and phalenopsis orchids.

Mrs. Theodore Gish (Claudia Imwalle), a University of California Alpha Chi Omega sorority sister of the bride, was matron of honor. Bridesmaids were another sorority sister, Diana Jonas of Burlingame, Marjorie Crusan of Arcadia and Carol Weber of Monrovia, the last two former schoolmates of the bride when she lived in Monrovia. They wore similar short princess style dresses of light peacock blue cupioni silk made with scoop necklines. Streamers of a deeper shade of velvet falling from a bow in back accented their full skirts. They carried spider bouquets of pink elf roses with bandeaux of the same roses in their hair.

Best man was Richard Kappes, a Phi Sigma Kappa fraternity brother of the groom from North Hollywood. Ushers were Charles Gassaway of Spreckels, D. Robert Jessen of San Francisco and Thomas H. Davis II of Woodlake, cousin of the bride.

The reception following the wedding was at Del Monte Lodge where arrangements of pink and white gladiolas were placed about the rooms. A pink cloth under white organdy covered the bride's table decorated with baby roses and bouvardia.

The bride's mother, Mrs. Richard Cummins Franklin, received the guests wearing an embroidered champagne silk organza sheath designed with a flowing panel in back. Her hat was pink organza and her corsage of white phalenopsis orchids.

Mrs. William Hunter Eadie attended her son's marriage in a wedgewood blue alencon lace sheath and matching hat. Her flowers were white orchids.

The groom is the son of Mr. and Mrs. William Hunter Eadie of San Bernardino. He is a graduate of the University of Southern California. After completing military service at Fort Ord he continued his studies in San Francisco and is now associated with his father in the certified public accountants' firm of Eadie and Payne in San Bernardino where the young couple will live following a honeymoon in Honolulu.

Fishes Go, Kirbys Come

Grays Vacationing In North

Dr. and Mrs. K. F. Pimble Gray and sons Stephen and Stanton are to be away until the first of September when Dr. Gray resumes his duties as pastor of the Church of the Wayfarer. The Grays, traveling with car and trailer, will swim, boat, fish, and sightsee in Oregon, Washington and British Columbia.

Millar Postpones Grecian Trip

Monterey County Symphony Orchestra director Gregory Millar has postponed his planned August trip to Greece until next spring as previous commitments allow him time to conduct only one concert in Greece this summer. The Greek government, which invited Mr. Millar to perform in their country, wants more than one concert while he is their guest and suggested that he come in the spring when the Symphony season is over.

"I think I was invited," said director Millar, "because I am one of the few young conductors in America of Greek descent."

This week end Mr. Millar leaves for New York to discuss arrangements for recordings of his work with the San Francisco Little Symphony which he directs in addition to the local symphony orchestra. Both orchestras, under Millar's direction, gave premiere performances this past season of Greek composer Skalkottas' dance music.

Rene Requiro Wins Award

Army private Rene S. Requiro, son of Mr. and Mrs. Plaridel Macahill of Carmel, was recently named Soldier of the Month for the 24th Infantry Division in Korea.

Rene, a former Monterey Peninsula College student, entered the army a year ago and is now a clerk in Headquarters Battery of the 26th Antiaircraft Artillery Battalion. He arrived in the Far East in March after receiving his basic training at Fort Ord.

He was selected for the Soldier of the Month award in competition based on neatness, knowledge of military subjects, and efficient performance of assigned duties.

Emile Norman Show Opens Today

Sculptures in marble by Big Sur artist Emile Norman are on display at the Pebble Beach Gallery until August 31. Hours are from 10:00 in the morning until 5:00 in the afternoon every day except Sunday when the gallery opens at 11:00 o'clock.

Marble sculpture is a new medium for Mr. Norman who is known here and abroad for the plastic screens he designs and makes in collaboration with Brooks Clement, using the trade name Clemile.

During a visit to Italy last year Mr. Norman, intrigued with the artistic possibilities of Italian marble, took a studio near Carrara and executed the sculptures now being shown at Pebble Beach. His work so interested the Italians that a television network produced a program featuring his sculptures.

Emile Norman and Brooks Clement have arranged the Pebble Beach Gallery for the show making pedestals and decorations. Incidentally, when Mr. Norman went to Italy he flew over on a plane decorated with a Clemile plastic and returned on an ocean liner adorned with more of his work.

CHURCHES**CHRISTIAN SCIENCE SERMON**

How the understanding of God's inexhaustible goodness enables man to meet everyday needs will be brought out at Christian Science services Sunday in the Lesson-Sermon on "Love."

Scriptural selections will include the following from Ezekiel (34: 11, 14): "For thus saith the Lord God; Behold, I, even I, will both search my sheep, and seek them out. . . I will feed them in a good pasture, and upon the high mountains of Israel shall their fold be: there shall they lie in a good fold, and in a fat pasture shall they feed upon the mountains of Israel."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (494:10): "Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since for all mankind and in every hour, divine Love supplies all good."

Newton Goodrich Married

Norinne Parker and Newton Goodrich were married in San Jose on Saturday afternoon at 2:00 o'clock in a double ring ceremony performed by the Reverend James Strayer of the San Jose Methodist Church.

The wedding took place in the patio at the home of the bride's parents, Mr. and Mrs. Fred R. Menzel, where a bamboo screen placed between two towering redwoods backed the altar framed in redwood boughs and flanked by pots of pink and white geraniums. Recorded symphonic wedding music was played softly throughout the ceremony.

The bride, given in marriage by her father, wore a full skirted mint green nylon eyelet embroidered ballerina length dress. The large butterfly collar of the gown framed her head and ended in front in a row of four covered buttons fastening the fitted bodice. A small face veil fell from her champagne colored cap which matched her shoes, and she carried a tiny ivory colored prayer book adorned with a white orchid. The heirloom prayer book was brought to this country from Germany by her paternal grandmother.

Bonney Harris of San Jose, lifelong friend of the bride, was bridesmaid in a pink sheer cotton dress in semi-sheath style with which she wore a pink and white carnation corsage and a tiny white bandeau in her hair.

Geoffrey Palmer was best man for the groom.

Following a garden reception the bride and groom left for a honeymoon in Paso Robles and are now at home in Carmel in a house at Serra and Carpenter Streets.

Mr. Goodrich is the son of Mr. and Mrs. G. N. Goodrich of Hollister, formerly of Carmel. He attended Carmel schools and served his apprenticeship as a printer on the Pine Cone. For the past few years he has been on the printing staff of the San Jose Mercury News where he met his bride who worked in the advertising department of the same paper. He is now a member of the Pine Cone printing staff.

Present at the wedding besides the bride's and groom's parents were the bride's two children Kathie and Mark Parker; her brother and sister-in-law, Mr. and Mrs. Earl Menzel of Mendocino county; the groom's brothers-in-law and sisters Mr. and Mrs. Joseph Lucas and Mr. and Mrs. Earl Reno; Mrs. Geoffrey Palmer, wife of the best man; Dick Rohr of Carmel; Ronnie Hughes of Las Vegas, Nevada, cousin of the groom; Mrs. Bertha Howard, grandmother of the bride; Mr. and Mrs. Howard Gustin and family; Mrs. Marie Alger and daughter, Dorothy; Mrs. Hollis Howard and family, Mr. and Mrs. Clarence Dorsey, Mr. and Mrs. Robert Nance, Mr. and Mrs. Harold Toussaint and family, and Jolene James, all of San Jose; Mr. and Mrs. Gerald Kincaid, aunt and uncle of the groom from Hollister; Mrs. Marie Alderson of Carmel and L. R. Puckett of Oakland.

Masonic Meeting Tomorrow

Carmel Lodge No. 680 F. & A. M. is having a stated meeting on Friday night at 8:00 o'clock in the Carmel Masonic Temple. Dinner at 6:30 o'clock precedes the meeting. All sojourners are invited to attend.

Judy Jessen Born

Lieutenant and Mrs. George E. Jessen became parents for the first time on July 23 when their daughter, Judy Catharine, was born at the Peninsula Community Hospital. She weighed seven pounds, nine ounces at birth.

Judy's grandparents are Mr. and Mrs. Carl Jessen of St. James, Minnesota, and Mr. and Mrs. Carleton McGaully of Pensacola, Florida. Mrs. McGaully came to Carmel when Judy was born and will remain here for another week admiring her first grandchild.

The Jessens have been Carmel residents for two years. Lieutenant Jessen is a student at the Naval Postgraduate School.

Seeleys Married 50 Years

Mr. and Mrs. John Seeley of Carmel and Modesto celebrated their fiftieth wedding anniversary on July 25 with a dinner at Del Monte Lodge. On Saturday evening a family party in their honor was given at the home of their son and daughter-in-law Mr. and Mrs. Fred Seeley in Pebble Beach. Present at the party on Saturday evening were the Seeley's three children, Fred Seeley, Paul Seeley of Modesto and Mrs. James Ball of San Francisco and their families.

Carmel Foundation Notes

Mrs. Helene Healey of Carmel will be the speaker at Town House on Wednesday afternoon at 3:00 o'clock. Mrs. Healey will talk about her experiences in Algeria where she lived for many years before she came to this country in 1899 with her American husband whom she met in Algeria. Her father was an officer in the French army and the family spent their lives between France and Africa. During Mrs. Healey's childhood they lived in a fort close to the desert, where at present fighting again goes on between the French and the Arabs.

Tea and a social hour will follow the talk.

On Tuesday afternoon a show of oils and water colors by Lise and Gerald Stout will open at Town House with a tea from 3:00 to 4:30 o'clock to which all friends and interested persons are invited.

Miss Oliver's Farewell Party

An impromptu studio party was held for Mary Lindsay-Oliver Friday evening by her students and their friends. Next day she departed for Washington, D.C. on a short business trip. En route, in San Francisco, Miss Oliver attended, with Mrs. Grace Howden and friends, the performance in Stern Grove of La Traviata, with Gregory Millar singing Alfredo.

Gathered together in the De-Neale Morgan Studio Friday were Miss Oliver's students, David and Joanne Schoenbrod, Joyce and William Bishop, Richard Turner, Marjory Pegram and Anita Sohn. Valerie and Wilbur Hattery could not be present, but sent a bouquet of pink snapdragons. Marjory Pegram brought a beautiful variety of blooms from the Memory Garden of Kate Matheson and her sister

Ruth Elmore. Refreshments of fruit punch and cookies were enhanced by some of Joanne Schoenbrod's home baked cookies.

Being a chilly evening, the fireplace cast its cheery glow over the group.

Earl Wermuth Leads Marijuana Raid, Six Are Arrested

(Continued from Page One)

juana leaves and seeds. According to Carmel police two youths informed them they were approached on the street in Carmel on July 24 by Van Buskirk who offered to sell them marijuana. He took them to a house in New Monterey and later to a spot in Carmel Valley where marijuana was being grown. When the youths made no deal with Van Buskirk he indicated he would try to get them heroin on July 27. The boys immediately informed the Carmel police of the incident and the police kept the Van Buskirk house under surveillance until the raid was made.

The New Monterey house belonged to John A. McDonough where Monterey police at 11:00 o'clock on the night of the raid arrested McDonough and found three cans of marijuana leaves and seeds, presumably grown on a "farm" on the Carmel River two miles above Highway 1, where there were two small patches of marijuana containing about 90 plants, according to the police.

In the Van Buskirk home in Carmel, police say they found marijuana seed in a pottery bowl and two other jars containing marijuana mixed with food spices in the kitchen cabinet.

The sheriff's office reports that the marijuana "farm" has been destroyed. However, according to the Monterey police, McDonough, a gardener, said he had been raising marijuana in the gardens in which he worked. Employers of McDonough are asked by Monterey police to contact them so that the gardens may be checked for marijuana plants.

Arraignment in Monterey Municipal Court of the Van Buskirks is set for tomorrow afternoon at 1:30 o'clock. McDonough will be arraigned on Monday at the request of his defense counsel Gordon Campbell. Wells was certified to juvenile court yesterday. Bamford, arraigned yesterday had a preliminary hearing set for August 7. Chance pleaded innocent yesterday when arraigned on a charge of vagrancy and a court trial was set for August 13. All but Chance were charged with being in possession of marijuana, a felony.

Chuck Mohler Sells Book

A Year Of Monday Mornings is the title of the book by Charles Mohler of Carmel which will be published in 1958 by Beacon Press. The contract for Chuck's book arrived on Sunday and after perusing "all 99 pages of it in small print" Chuck started another Monday morning by signing the contract and mailing it back to Beacon Press.

The book is a series of 52 essays descriptive of a year in the life of the Mohler family which, besides Chuck, includes Hazel his wife and their two year old son Chaco born in Carmel.

Chaco had his first birthday shortly after the Mohlers started their year of Monday mornings by selling their home in Carmel and leaving for an indefinite stay in Europe. After several months abroad during the Suez crisis, the Mohlers returned to the United States and following an Eastern visit, to Carmel.

"So the books begins and ends here," says Chuck.

Hester Ann Youngberg Wed

Mrs. Nellie Compton Youngberg of Carmel Valley announces the marriage of her daughter, Hester Ann Youngberg, to Ralph H. Heppe of Los Altos, California. The ceremony was performed on July 19 in Hollister by the Reverend Horace Day, pastor of the Methodist Church there.

The bride is associated with her sister, May Youngberg, in Town and Country Properties in Carmel. She attended Rockford College and Northwestern University.

The groom is a graduate of Kansas State College where he was a member of Beta Theta Pi, social fraternity, and Sigma Delta Chi, journalistic fraternity. He was with the Associated Press for many years, holding executive positions in various cities including Oklahoma City, Kansas City, Missouri, and San Francisco.

The couple plan to divide their time temporarily between their Los Altos and Carmel Valley homes. A honeymoon voyage is planned later.

STANLEY HAS PERMIT FOR VALLEY COUNTRY CLUB

Ashton Stanley was given a use permit by the county planning commission this week to establish bungalows, motel units, a children's swimming pool, three tennis courts and a tennis shop on property in Carmel Valley known as La Playa Ranch.

Adjoining property owners objected to the permit, particularly in respect to a private road being used for access to a commercial development.

Stanley withdrew his seasonal liquor license application because he wants a year-round license. He obtained permission to erect a roadside sign identifying the ranch.

LETTERS FROM THE GOVERNOR

Carmel conservationists who wrote to Governor Goodwin Knight, urging him to sign Assembly Bill 2925 which increases the appropriation for acquisition of state parks, received letters this week stating that on July 10 the governor signed the bill, and thanking them for their interest.
